Chew on This:

It's a Light and a Wrench on a dark unknown road. It's a web of friendship like no other with a brotherhood of support around the globe

RIDE SAFE and RIDE PROUD

Humour

FMR has entered his Bike **"WHITE RHYNO"** into the Show & Shine at the Winnipeg Cycle Show at the Winnipeg Convention Centre from Friday January 31 thru to Sunday Feb 2nd.,2003. This is the first time that a Northern Stars Rider will be promoting our club to the general public at such a large event. Wildwood Sports, a local Yamaha dealer offered a 10% discount to anyone joining our Club. Manitoba is hoping for a huge influx of Northern Stars members once the word gets around. FMR's Bike which proudly sits amongst some of the most awesome cruisers in the country holds up to its name as truly being a beast to reckon with. We

agree with all the critics that the Northern Stars Riders will definitely win a lot of recognition being promoted along side the "WHITE RHYNO". This 2002 Road Star Silverado is powered by a 1602 cc V-Twin power plant .

Vote for Northern Stars T-Shirts

All members please remember to log onto the Northern Stars Rider website .and vote on whether or not you would be willing to prepay for a T-Shirt with our Crest on it. The Prez would like comments on what type

of T-Shirt most would be interested in. Suggestions about a long sleeve black shirt with the small crest situated on the front of the shirt seems to be the most favored at this time Some are also suggesting that the crest be located

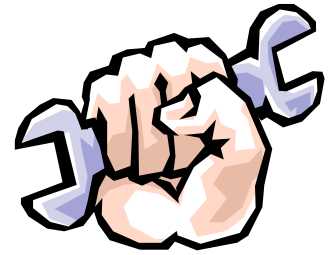

on the back so folks can see it when we're riding.. Hopes for a price of \$20.00 to 25.00 would be reasonable. Anytime a ride or a Star Days Event come up the T-Shirts would surely be in demand

TIPS: What to do When you Get a Flat

There are many opinions on what to do but the most important thing is to get the bike back on the road.

You should have a tire plugging kit with you and a means to inflate the tire after the puncture has been sealed. One particularly good kit is the Stop & Go Tubeless Tire Plug Gun Kit. Sit down and read the info and maybe do a test run to satisfy yourself you know how it works.

Consider carrying CO2 cartridges. Another option is to buy a 12 volt portable air compressor. Change the cigarette lighter adapter for a straight connection to your battery. The whole unit can then go into a ziplock type bag for easy storage.

UPCOMING EVENTS:

Major Ride happening
May 23, 2003 at
OSOYOOS B.C.

**Over 100 Star
Bikes**

Everyone Welcome

OSOYOOS MAY 23, 2003

FOR SALE :

Patches :

SMALL 2 for \$25.00

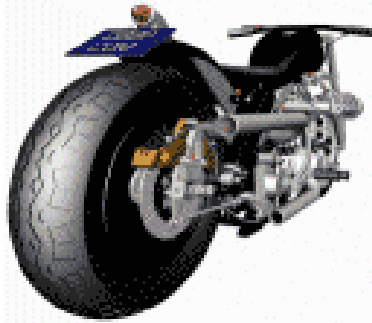

LARGE \$ 35.00

OUR FIRST ISSUE:

This is the first ever issue of the Star News, and hopefully as the months and years pass this News-letter will provide some excellent reading for all of our members..

Our plan is to ask for material from all of you to provide important information about Events, Maintenance Tips, Items for Sale, Quotes, Humor, and of course feature stories about our members and their bikes. If you have any info at all that you feel would be useful for this newsletter.

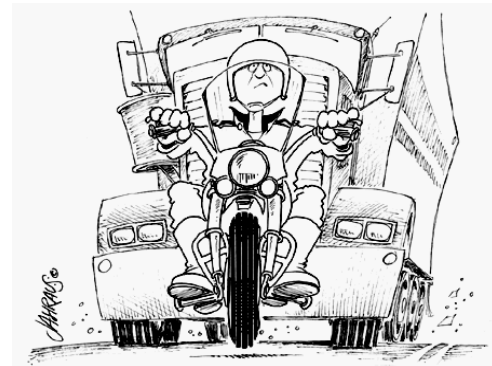

Please E-mail me with your info and Attached Pix. We will endeavor to have a new issue each month through the riding season. Please feel free to offer any criticism that will help to continually improve the E-News we try to provide.

Star of The Month

MYZED :

Headingley Manitoba is home for this 2002 V-Star 650 Custom.

With a new year of riding around the corner this Black Star will see many a ride throughout the province.

Myzed has been searching the Web for accessories that will make this already special bike even shine brighter.
