“Flag” The time has come for us all to start working together and organize our plan on getting this special flag back into the hands of the **“Merry Band of Lunatics”**. The journey originated on April 16 2001 , and the flag started it’s way East towards the Atlantic Ocean. It ended up in Quebec for the winter and did not start it’s trek towards the Coast until June of 2002.

After many miles and a whole bunch of signatures it finally came to rest in the hands of our members out East on August 16th ,2002. Now it’s time to click those

ruby slippers and bring the flag back to where it all started 2 years ago.

“ Only My Opinion “

From MYZED

Our little group is evolving into something special and it is happening in such a short period of time that I am excited about what the future holds for our membership. I receive correspondence every day from interested parties who

want to know more about our club. We have established relationships with 7 Dealerships in different parts of the country and we are presently working on establishing a closer relationship with Yamaha Canada that will

definitely be a mutually beneficial one.

I am very proud of all the hard work and support that all of you members have given

Regards,

ToolBox

I received an E-Mail from Peter Hall , President of Armed Guard Security. He

mentioned that they are about to launch a new security alarm for the Star Line of motorcycles . Mr. Hall mentioned that they are working with the ISRA to introduce the alarm within the next 30 days. I thought this deserved a look from all of us. Check out their website : www.armedguard.com

Dealer of the Month promo@northernstarsrider.ca

The month of March was another fabulous month for making some serious headway in promoting the Northern Stars all across Canada. We made contact with [Alberta Cycle](#) who are linking us to their web site . Our member [Hunter](#) has been Gung Ho in creating this great new relationship with [Alberta Cycle](#) in Edmonton. He spoke with

[Mike & Monica](#)

and they agreed to link us to their

web site. They will also be honoring a **15 % discount** to our card carrying members.. Because of our mutual desire to promote the

Northern Stars , I am sure that Edmonton will soon become one of our

major membership areas. Thanks

Star of the Month “JOSIE”

One of our newest members . This is [Josie](#) , ISRA # 13038 . Josie was a recent Sunshine Girl in Edmonton .

If you look real hard you can see her New V-Star 650 Classic.

Although she is a relatively new rider , she and her **husband** Gord are going to trailer their bikes somewhere warm and then along with our member [Duster188](#) ISRA # 12900 and his wife , will be riding to Laughlin Nevada in April. If you look even harder you can see Pat's aircraft in the background.

Duster 188 , who was wearing a Northern Stars patch met Josie and told her about our club and the great opportunity to get a 15 % discount at [Alberta Cycle](#) . Alberta Cycle is also a New Dealer Member
